

"The results show that Finns trust strangers," says Antti Kouvo, head of the Kuopio Welfare Research Center (KWRC) at the University of Eastern Finland. Rounding out the top spots are Denmark, Sweden, Ireland, and the Netherlands. Meanwhile Slovakia, Greece and Cyprus fill out the bottom.

**Vertrouwen in politiek en medemens licht gestegen**

**Crisis for Europe as trust hits record low**

## **Vertrouwen in de media ligt in Nederland relatief hoog**

**Statistiek**

Uit nieuw Amerikaans onderzoek blijkt, opvallend genoeg, dat Nederlanders veel vertrouwen in de media hebben.

**Brits 'losing the will to live' over Brexit as lack of trust in government becomes norm**

**Emotionele Jan Terlouw vraagt om meer vertrouwen**

## **Trust in the EU? The key obstacle to reform**

*The challenges that Europe faces both from within and from outside require immediate, concerted counter-efforts. While efforts to advance the European economic architecture are desirable and useful, can Europe realistically attempt to integrate further on the basis of such little trust?*
